STOWN RIDE

QUICK RELEASE POWERSPORTS MIRROR SYSTEM

UNIVERSAL FIT

INSTALLS DIRECTLY INTO THE HANDLE BAR END. FITS ALL POWER SPORTS VEHICLES WITH A **7/8" FACTORY OR AFTER MARKET HANDLE BAR.**

EACH Mirror Kit Contains:

- 1 PC, 5" mirror (4-way adjust)
- 1 Long threaded stem
- 1 Short threaded stem
- 1 Elbow
- 3 Jam nuts
- 1 Handlebar cam lock

Personalize your mirror system to match your riding style. Sport, two-up, low profile, it's up to you! Patent quick hand release. Stow away to avoid a tree strike, spin down to fit under covers, and or transfer from one machine to another. Adjust, remove, stow, re-install, without leaving the trail.

NO TOOLS REQUIRED!

Installs directly into 7/8" straight bars

Also installs in 7/8" bent bars

Build as left or right, order two to make a set.
